FIELD HOUSE CLUB

The Field House Club is a fully licensed club house used for the School's cricket fixtures. The venue itself has a main dining room, a small bar area, a lounge and a balcony overlooking the first team's Cricket Pitch. This venue is perfect for daytime meetings and intimate dinners/lunches. The walls and display cases are full of interesting items of Harrovian and cricketing memorabilia; a tangible display of the School's distinguished cricketing past. The Field House Club was created to celebrate Harrow's cricket traditions, showcasing Harrow Vs Eton as the longest standing cricket fixture in the world, playing annually at Lords Cricket Ground since 1805.

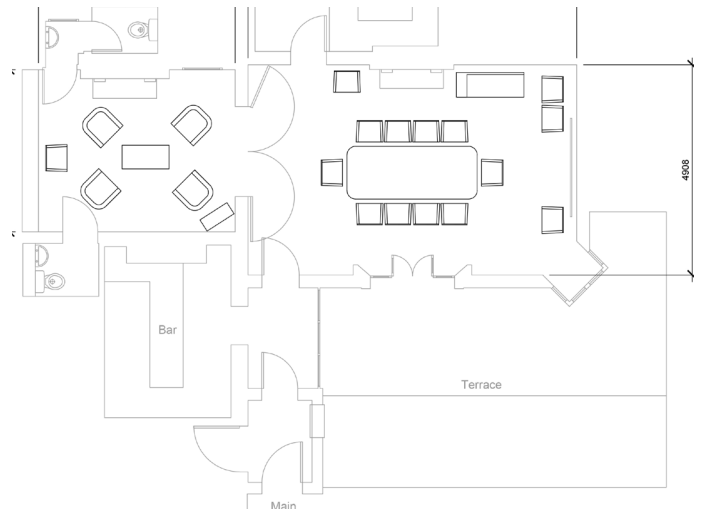

EXISTING FURNITURE & DIMENSIONS

Field House Club comes complete with all the furniture required for a meeting or dinner for up to 12 guests. All furniture is classically styled or antique.

The existing antique Victorian dining table can seat 12 for dinner. If you wish to have larger numbers, a second table can be hired in to increase the capacity to 20, costs do apply.
