# Corporate Team Building Events

*“Attitude is a little thing that makes a big difference.”*

Winston Churchill, Harrow School Alumni

# Team Building Packages

*"It is a grand thing to rise in the world. It is the cause of all improvement."*

## Venue

Harrow School was founded in 1572 under a Royal Charter granted by Queen Elizabeth I to a local landowner, John Lyon. It soon became one of the greatest schools in the country, attracting pupils from all over the world. Famous Old Harrovians include Winston Churchill and six other British Prime Ministers, the first Prime Minister of India, Pandit Nehru, as well as poets and writers as diverse as Byron, Sheridan and Trollope.

With an exceptional school comes exceptional facilities. The opportunity for the public to benefit from these spaces is the responsibility of Harrow School Enterprises Limited (HSEL), the commercial trading arm of Harrow School. We offer a variety of services to the School and the wider community that covers five key areas: Education, Events, Sports, Locations and the Harrow Shop.

Harrow School has a selection of unique packages available to 'wow' all guests. These are delivered by experts in their field and offer bespoke activities to suit the nature of your clientele. Each package has also been carefully tailored to suit the landscape and historic surroundings.

# Traditional Harrovian Adventure

*"Success is not final, failure is not fatal: it is the courage to continue that counts"*

The Traditional Harrovian Adventure Package aims to provide a unique taster of sporting traditions within Harrow School. All delegates will be immersed within the School and use all unique facilities the School has to offer. Each activity will be conducted by a specialist in their field and provide a once in a life time opportunity for guests visiting Harrow.

## Activity breakdown

**Clay Pigeon Shooting 'Off Limits'** are a wonderful Team Building Specialist able to offer a unique variety of activities for groups to enjoy at Harrow School. All teams activities are designed to challenge, educate, motivate and surprise. They hone specific skills, boost confidence and highlight issues within teams and the workplace as a whole. Off Limits plan, set up and run the entire event leaving you to enjoy the ride.

Activities Offered: Clay Pigeon Shooting, Archery, Sheep Dog Handling, Quad Bikes, Falcony, 4x4 Blind Driving, Micro Tanks, Segways and much much more...

Why not also mix in some Old Harrow Traditions...

**Fives** The origin of the word "fives" is uncertain but it probably refers to the number of digits on each hand. The game's similarity to squash means that it is excellent for improving hand/eye coordination. Harrow has one of the most successful teams in the country with a very good record in the Schools' Championships. This fast paced game will be instructed by a Fives expert at our fives courts at Harrow School.

# The Harrow Explorer

*"The surest way to fail is not to determine to succeed"*

The Harrow Explorer Package offers delegates a chance to explore their surroundings in a unique way. Wild Goose offer a GPS challenge allowing guests the unique opportunity to explore the beautiful grounds of Harrow School with a fun, interesting and competitive element using technology. The Hotspots are activated by using the GPS location of the team's iPad, meaning that the teams have to go and explore the grounds rather than simply sitting in a bar to answer the questions.

The content of the game can be completely bespoke the teams can answer multiple choice questions, free type questions, photo challenges or video challenges. The General knowledge questions can be a mixture of topics the clients are interested in from Sport to Whiskey. We can also introduce other activities into the GPS Challenge for instance Whiskey Tasting.

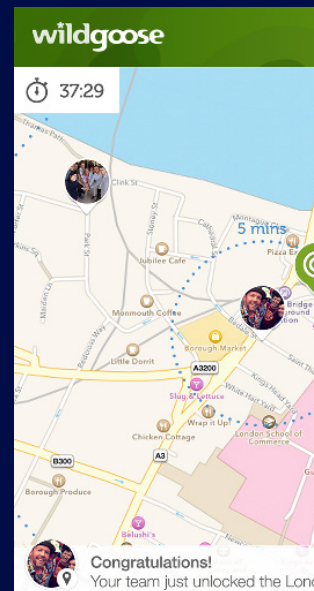

There is live scoreboard and activity feed during the game, this really helps to drive the competitive element of the challenge, we will turn this off 30 minutes before the end of the game to help maintain the element of suspense.

At the end of the challenge the event manager will showcase the best photos and videos from the event and present each member of the winning team with a gold medal.

## Activity breakdown

**Competing** Each team will be supplied with a tablet containing a series of 'hotspots' that they need to visit in any order to unlock them and release the questions and challenges within!

**Treating** After freshening up with the use of Harrow School's Sports Club, delegates complete their day with a dinner in the Old Harrovian Room.
