SHEPHERD CHURCHILL DINING HALL

The Shepherd Churchill Hall is one of our most modern and versatile venues. This room benefits from the best views of central London. The space itself is our largest venue, seating up to 360 guests. It is located in the very heart of our campus, with hire including the Shepherd Churchill Hall, the Shepherd Churchill Room and Terrace.

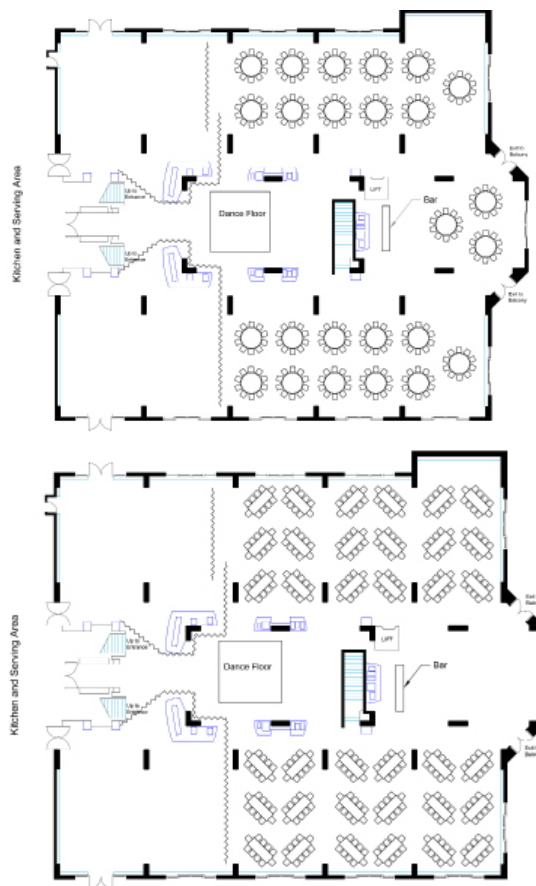

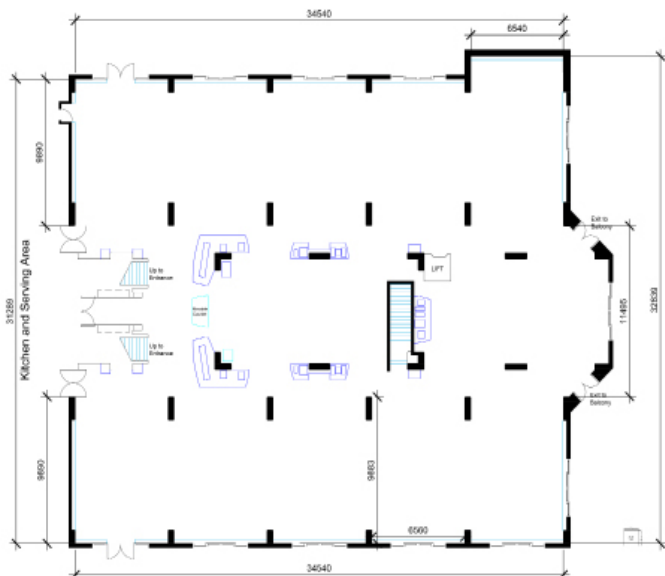

SHEPHERD CHURCHILL ROOM

The Shepherd Churchill Room is located just upstairs from the main dining hall and included within the hire. The venue's inside space and outside terrace overlooking the City, offers a stunning location for pre arrival drinks for guests.

SHEPHERD CHURCHILL DINING HALL

The Shepherd Churchill Dining Hall is comprised of 12 bay areas. Every event set up in this highly flexible space is unique and different from the last. The venue hire includes all furniture, which are 6ft wooden tables and wooden benches for seating. Customers could alternatively hire in round dining tables and banquetting chairs to change the style of the venue.
