FIELD HOUSE CLUB

The Field House Club is Harrow School's most intimate Civil Ceremony space seating 2-20 guests. This venue is a fully licensed club house used for the School's cricket fixtures. The Field House Club is a unique venue with a main dining room, a bar area, lounge and a vast balcony overlooking the beautiful cricket grounds for you and your guests to enjoy a drinks reception.

EXISTING FURNITURE & DIMENSIONS

The Field House Club's furniture is classically styled and antique. The venue is primarily used for dining, so a large antique table dominates the space. Ceremonies can take place within the lounge area for up to 15. Should couples wish to host their ceremony in the main space, charges do apply to move the antique table but it will increase the capacity to 20 for the ceremony.

HIRED EQUIPMENT

Please speak to a member of the team to create a bespoke quotation to hire banqueting chairs. These chairs work well within the venue, providing more space for larger numbers.
