SPEECH ROOM

Speech Room is the main assembly hall for Harrow School. Built in 1871, it is a grand building that can be used for dramatic effect for any style of event. This Globe style venue can seat up to 550 guests. Speech Room also hosts Civil Ceremonies for 120 -550. Numbers in between are not 'too small' for the venue as we can suggest suitable seating arrangements for smaller ceremonies.

AV & MUSIC

This venue includes Bose surround sound speakers which are available to use for background or ceremony music. The space also includes a Steinway Grand Piano (permission must be sought before use) however we only require a fee to tune the instrument before use.

Prices start from £75.00.

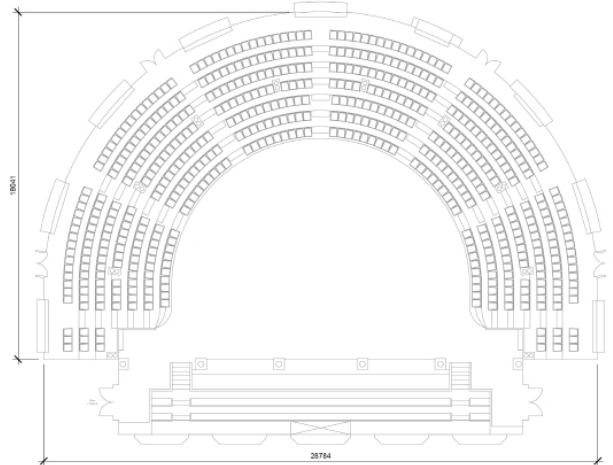

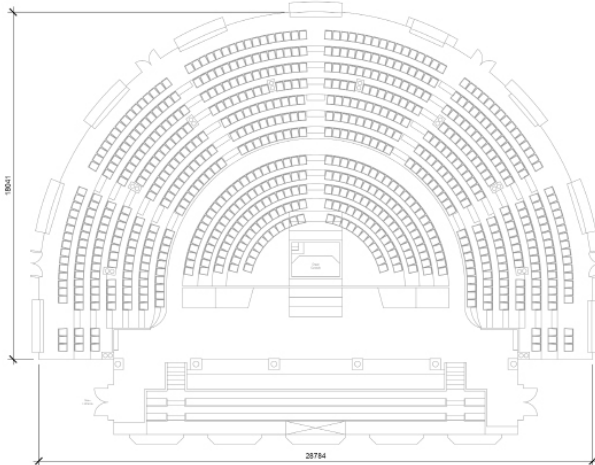

EXISTING FURNITURE

Speech Room is made up of eight tiered seated areas. The maximum capacity within the venue is 550 seated. Should your numbers be lower than 550, tiers can be zoned off to ensure guests use designated areas.

STAGE SOLUTION OPTION

Speech Room offers a stage solution for the central orchestra pit. This stage creates a flat surface suitable for seated dinners for up to 120 Guests.

The stage does not impact the theatre style seating capacity of 550, installation of the stage is not included within the Speech Room venue hire. Please speak to a member of the events team for more information.
